FRENCH-VINTAGE HAND-WOVEN HATS

Collection Catalogue 2026

Spring–Summer straw · Autumn–Winter berets

THE STUDIO

The same hands, the same atelier — now making for the world.

HatChat is a designer-led atelier with ten years of one craft: the hand-woven natural-fibre hat. Raffia, abaca, seagrass and fine straw braid for high summer; wool, cashmere, alpaca and rabbit hair for the cool season. Designed and made in Guangzhou.

Every silhouette is original. Every fibre is traceable. Every hat is blocked, trimmed and finished in our own workshop.
